Warranty Period: Refer to individual product warranty period as listed on pricelist or web as all products do vary, with a minimum 1 year from purchase date (subject to terms outlined in this Notice).Warranty includes all goods located on the Australian mainland. Matic do not cover warranties on goods that have been distributed and transported outside of the Australian mainland.

In the event that the date of manufacture and our company identification has been removed or tampered and proof of purchase is not provided the warranty becomes null and void.

The warranty on fabrics and foam is limited to that given by the manufacturer, agent, or supplier of those materials and therefore varies from product to product.

The warranty on all chairs supplied by Matic is based on an eight-hour shift work day and for users weighing up to and no more than 140kg.

If faulty goods have been supplied, please notify our office in writing so we can advise you in detail of the procedure for rectification or return.

Our preference is for our suppliers to facilitate a customers' warranty claim so as to provide complete information required to facilitate a claim.

Warranty procedure for repair and replacement:

- I. A written report of the damage or fault must be provided. Report to include Matic Furniture Pty Ltd invoice number; Client purchase order number; date that the goods were dispatched from Matic's premises; description and details relating to the damage/fault.
- II. Photographs or illustrations of the damage or fault should accompany the report.
- III. The opinion of the retailer will also be sought regarding the cause of the problem.

Once the above three requirements are provided to Matic via email, mail or in person Matic's representative will contact the end user or the retailer within 7 days to arrange to carry out a repair if a repair is sought. Under no circumstances will a Matic representative be authorised to complete repairs unless all of the three above service requirements have been completed and submitted to Matic.

If the fault is found to be that of the manufacturer and within warranty no charges will apply, including but not limited to all associated freight to and from the customer to rectify the fault or supply replacement goods.

If the fault is found to be that of the end user or our on-seller/retailer then the applicable repair charges will be invoiced to the on-seller/retailer once the repair is authorised to proceed with.
